

PAPILLON MONTESSORI SCHOOL

The Application Process

The application process for the 2012-13 school year begins in January 2012. New students are accepted in February 2012, based on availability after current students have the opportunity to maintain their placement in their respective program.

Parents of prospective students are encouraged to begin the process by attending an open house or by scheduling an appointment for a tour in order to learn about the Papillon Montessori School. After completion of your initial visit, parents may then arrange for a 20 minute observation in one of our classrooms.

After the observation, you may submit an application for enrollment, together with the \$75.00 non refundable application fee, which will start the enrollment process. When open enrollment commences, a member of our office staff will arrange an interview with you and your child. At this time, one of our qualified staff members will assess your child's skill level and needs. After careful review of all information gathered, a collective decision will be made as to whether the Papillon Montessori School is a suitable fit for your child. Upon acceptance, the \$100 registration fee, tuition deposit (equal to one month of chosen program) and the Activity Fee is due (\$250 for Pre Primary Program and \$195 for the Stepping Stones Program).
